

her business network meetings

Taupo

Hats of all shapes and sizes strolled down the drive of The Lake View House. We were warmly welcomed by Celia Laity (and husband Hugh) through the huge wooden doors into their home.

The Lake View House can only be described as a home away from home. Music was gently playing. Liquorland Taupo-sponsored bubbles were popping in the background and we congregated in an outdoor cove. We saw the most magnificent views of Lake Taupo and beyond to Mount Tauhara. Celia's favourite canapés were being served while conversations were enlivening. Hugh was a dab hand on the BBQ with shrimp in lime and coriander (freshly picked from the organic garden).

A gourmet buffet dinner was the order of the day. Christmas sweet treats topped off the magical evening. What a sensational way to wind up a fantastic year.

Thank you to Stu, Charlie, the creative writers and the team at the Radio Network who provide great advertisements, great service and great support. To Lisa, Donna, Chef and the very kind and helpful team at Terraces Hotel; thank you for great food, great views and a great venue. Wishing you all a happy holiday and we look forward to an exciting 2009.
